QC 3.0 Wall Charger - 18 W

Model# 102285

The QC™ 3.0 Wall Charger – portable, powerful charging

Enjoy full charging power with the Manhattan QC 3.0 Wall Charger - 18 W (Europlug). Its USB-A port uses Qualcomm™ Quick Charge 3.0 technology to charge any QC-compatible device up to 75% faster than a standard charger. The stylish, compact and ultra-modern design makes it the perfect power companion. It also protects itself and your devices from short-circuiting, overvoltage, overcurrent and overheating.
