## GaN Tech Power Delivery Wall Charger - 65 W – Power up your devices with a portable, powerful charger

Enjoy complete charging power with the Manhattan GaN Tech Power Delivery Wall Charger - 65 W. The charger's built-in gallium nitride (GaN) circuitry means you get a better charge for your devices at a smaller size than silicone provides. This charger uses Power Delivery (PD) technology to power up any device with a USB-C charging port, from laptops to mobile phones. With a foldable plug for charging in the US and swappable plugs for charging in the EU and UK, it's the perfect companion for travelers, offering a stylish, compact and ultra-modern design. It also smartly protects itself and your devices with from short-circuits, over-voltage, over-current and overheating.
