

# 1080p USB Webcam

Two Megapixels, 1080p Full HD, USB-A Plug, Integrated Microphone, Adjustable Clip Base, 30 fps, Black, Retail Packaging

**Model# 462006**

## Call, record and stream with Full HD clarity

Make 1080p video calls or streams on your favorite platforms such as Skype, Twitch, Teams or Zoom. At 30 frames per second, video quality is smooth, while images are crisp, colorful and contrasted. The built-in microphone makes sure your voice comes across clearly. Attach the adjustable clip base to your screen or make it stand on a flat surface. Plug-and-play functionality through the USB-A plug ensures fast and easy setup on the most popular devices with Windows, Mac, Chrome OS and Android.

---

## Features

- Full HD video and reliable voice clarity, ideal for streaming, video conferencing and recording
- Sharp, smooth video transmission in 1080p widescreen format with 30 frames per second
- Built-in high-quality microphone for clear communication
