Multi-Card Reader/Writer

Hi-Speed USB 2.0, Slim, 80-in-1

Model
100762

Take a digital content management center almost anywhere.

Compatible with 80 card formats, the MANHATTAN Multi-Card Reader/Writer lets you easily download and transfer digital images across many of today's popular flash memory card formats. It's compatible with CompactFlash, Memory Stick, Secure Digital, MultiMedia and XD without the need for an external power supply, cables or card adapter for portable use.

Convenience without the Media Device
Its USB mass-storage functionality easily archives picture, music, video and personal data files without directly connecting the media device to the computer. The MANHATTAN Multi-Card Reader/Writer helps conserve media device battery power by eliminating the need for a direct connection to the PC.

Lifetime Warranty
Strict manufacturing standards ensure the highest quality in all INTELLINET NETWORK SOLUTIONS products. All items carry a full Lifetime Warranty — the strongest quality commitment anyone can make.

Features

- Easily access media and manage content almost anywhere
