e-Learning LED Task Lamp with 3 Color Temperatures & Dimmer

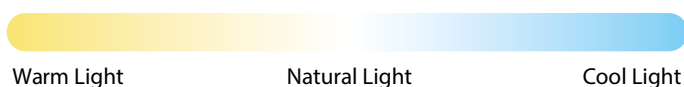

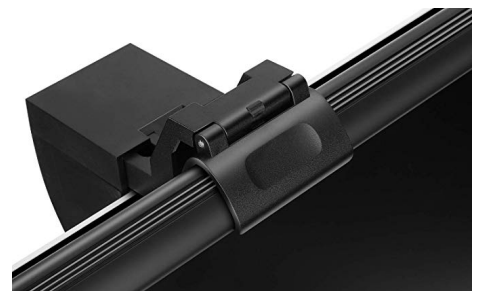

Art. No.: UA0372

The USB powered e-Learning LED Task Lamp with suspension design, adapting asymmetric light path, which only illuminates the desktop space, reduces screen reflection and effectively protects the eyes. Perfect to work as office lamp, reading light and study table lamp for students, graphic designers and office workers.

Features:

- » Space-saving clip-on design to install the Task Lamp on the monitor. The clip fits any monitor with thickness from 1 to 3cm, and could adjust the angle
- » Three lighting modes: warm light, natural light, cool light. The warm light lets you relax and the cool light allows you to concentrate and boosts work efficiency
- » Easy to adjust brightness with the light control designed in the USB line. Improve your viewing experience for your everyday computing tasks
- » Simply connect the USB cable to the computer's USB port, USB socket adapter or power bank to power the Task Lamp
