Stream Box / Media Player Wall Mount – declutter your home theater for a clean, organized look

When it comes to the look of your home theater, less is more. If you aim for a clean and organized approach, you want to move your media accessories off your media furniture or, especially, stop them from dangling from your mounted TV. You can now put them safely on the wall with the Manhattan Wall Mount for Streaming Boxes and Media Players like Apple TV®, Roku®, Xiaomi, Raspberry Pi, TiVo® and more. With a weight capacity of 5 kg (11 lbs.), it easily mounts to walls, shelves and other surfaces with all the installation hardware you need in the package contents, including a nylon tie to always keep your device in place. The shelf extends for a usable depth of 39 - 68 mm (1.53 - 2.68 in.) with an open design for easy access to ports, buttons and cables on either side. If you want to declutter not just your home theater setup, this mount is also suitable for routers, repeaters, Mini PCs, slim gaming consoles and more.
