Ideal for reading books, making handicrafts , checking electronics, etc.

Stable and reliable light, no flickering, no impairment of vision.

» The magnifying lamp has a 10 cm clear glass lens with 175% and 400% magnification, which makes small, details that are difficult to see clear.

» The lens can be rotated left and right and the arm can be folded up and down. Simply set the lamp in the position you want.

» Flip up lens cover protects magnifier lens from dust and scratches when not in use.
