

Multi-Card Reader/Writer

Hi-Speed USB 2.0, 3.5" Bay Mount, 60-in-1

Model
100915

Converts an empty, unused PC bay into a digital content management center.

The MANHATTAN® Multi-Card Reader/Writer supports most card formats to easily download and transfer digital images and files across many of today's popular flash memory cards. Compatible with up to 60 of types of CompactFlash, Microdrive, Magicstor, Memory Stick, MagicGate, SecureDigital, Multimedia, XD and more, the MANHATTAN Multi-Card Reader/Writer quickly installs into a 3.5" bay.

Convenience without the Media Device

Access digital content without directly connecting the camera or other media devices to the computer. This convenient connection helps conserve battery power by eliminating the need to directly install a digital device to a desktop computer. A front-mount USB port expands power availability to recharge USB devices.

Lifetime Warranty

Strict manufacturing standards ensure the highest quality in all MANHATTAN products. All items carry a full Lifetime Warranty — the strongest quality commitment anyone can make.

Model
100915

Features

- Convenient front-mount USB port
- Compatible with CompactFlash, Micro-drive, Memory Stick, MagicGate, Secure-Digital, Multimedia and XD
- Supports Automatic Card Detection and data transfer speeds up to 480 Mbps
